

CELEBRATING GREEN INNOVATION

JOIN IGCA 2022 IN AMSTERDAM

After two years of not being able to meet each other at an IGCA-Congres, The Netherlands is preparing an inspiring congress in the summer of 2022.

We are sure that everybody can meet up again with colleagues from all over the world and have a beautiful week together. We are delighted to invite you to the IGCA-Congres 2022 in Amsterdam.

Between Sunday, August 28th and Friday, September 2nd, we will visit 10 beautiful and inspiring garden centres in the Netherlands. From our hotel near the centre of the vibrant city of Amsterdam, we're also going to visit the Floriade, cultural attractions, new retail concepts, beautiful nurseries and of course the historic city centre of Amsterdam.

Discover and see how the garden centre industry is adapting innovation, embracing sustainability and helping to make The Netherlands more biodiverse. Do you want to join? Then register now on www.igca2022.nl and take advantage of the early bird rate. We would be delighted to welcome you end of August this year!

GO TO WWW.IGCA2022.NL TO SEE THE FULL SCHEDULE, PRICES & REGISTRATION.
